POWER PER SQ FT

POWER PER SQ FT

Dear Bullfrog Spas Dealer,

We thank you for your hard work in promoting Bullfrog Spas products and the Bullfrog Spas brand in your market.

You've likely seen the term Power Per Square Foot in our dealer training, trade shows, events, retail guides, and trade marketing. Power Per Square Foot is a comprehensive, practical program designed to provide better customer experiences in spa retail, helping you maximize your investment in your business. The Power Per Square Foot concept applies to many areas of your retail business, but optimizing your showroom is a key focal point of this program.

The items in this catalog have been carefully selected to help you strengthen your showroom presentation and promotional efforts in order to provide the very best customer experience possible.

This is what Power Per Square Foot is all about, helping you maximize your investment in your hot tub business by providing the very best experiences possible. We hope that you will enjoy using these items to improve your showroom, outfit your sales team, fuel your next sales event, and, most importantly, make your customers happy.

We consider effective sales and marketing of Bullfrog Spas to be a team effort. As always, we welcome your input as we work to develop future POP and promotional materials.

Best Regards,  
The Bullfrog Spas Marketing Team
