

# REGISTER NOW FOR OUR **POWER PER SQUARE FOOT** CERTIFIED TECHNICAL TRAINING AT THE BULLFROG SPAS FACTORY!

---

**MARCH 4-5, 2020 • LEHI, UT**

Service Department success in today's competitive environment requires in-depth product knowledge and great customer service. Join us for this two-day technical training on Bullfrog Spas product servicing, repair, and maintenance processes guaranteed to help ensure repeat business and grow your referral base. With detailed instruction and a keep-it-simple approach to troubleshooting, we'll equip your technicians with all they need to know to keep your customers happy and satisfied with the service they receive. Please bring your own Volt/Amp meter to the training—all other tools will be supplied.

**Presented by Bart Plante, Director of Technical Services.**
